● About ACE

The ACE Electoral Knowledge Network encourages professionals to generate, share and apply knowledge, solve problems, help build common methods, and improve the professionalism of those engaged in activities related to credible, sustainable, peaceful and cost-effective elections.

## ACE Electoral Knowledge Network

**Elections Today**

Obtain news, analysis and upcoming elections dates from the world of elections

**The ACE Encyclopaedia**

Explore comprehensive information on various aspects of election administration

**Comparative Data**

Analyse country-by-country data and information on election systems, legislation and management

**Electoral Materials**

Browse an electronic library of election materials, such as laws, ballot papers, training manuals, posters and more

**Electoral Advice**

Access a forum that generates and shares specialised electoral knowledge, resources and expertise

**Regions & Countries**

Research regional and country-by-country information, data and resources collected through a network of Regional Electoral Resource Centres
